MEMORANDUM

To: Mr. J. M. Lynch, P.E.
State Traffic Engineer

From: L. T. Williams, P.E. *LTW*
Area Traffic Engineer

Subject: Proposed US 221 Truck Route in Avery and Watauga
Counties

The Division office has received requests for signing and other improvements along US 221 between Linville and Blowing Rock due to hazardous roadway conditions for tractor trailer trucks. The horizontal alignment of this section of US 221 is very poor. There were 10 recorded tractor trailer truck accidents between 3/31/90 and 4/1/93.

The Division recommends that a US 221 Truck route be established between Linville and Blowing Rock. If you concur, we will process the proposed truck route. Please advise if you desire additional information.
